The WBC heavyweight champion has often given a voice to get away from sport after a few more fighting, only and then walk from those comments to the next day. But there seems to be a consensus that yes - and it is still a great if - he is able to ensure the fight without a title disputes with Anthony's winner Joshua and Oleksandr Usyk this summer or falls and Victoria moves away, no There is anything to achieve. He will overcome the greatest challenges he has at his disposal (Wladimir Klitschko, Deontay Wilder twice and a unified champion) while reaching the unified and indisputable status at two different points. Fury seems to be in a place much better than before his three -year hiatus for alcohol and mental health problems, and a more massive victory could see him leave to spend time with his family. - Brandon Wise Joseph zucker @@ Josephzuckerfeatured Columnista 22, 2021 Steve Marcus/Getty Images The Unemploy T-Mobile Arena in Las Vegas. The Filipino was originally backed up to face Errol Spence Jr., but the WBC champion and IBF retired due to a retina broken in his left eye. That opened the door for ugar to insert itself in the payment view, although with a brief notice. If he had victorious the unveiled, Spence was possibly the next most libic opponent for Pacquiao. However, his result and action raised great questions about his future. Michael Owens/Getty Images Pacquiao and Spence were prepared to cross roads once and, so they will be willing to return to the negotiating table. Spence is the weight weight champion of IBF and WBC, and is undefeated with 21 blows 27 professional fights. He has cemented

However, the probability that this happens seems thin, since It's not taking things easy on the twilight of your career. In an interview with TMZ Sports earlier this month, he said that the idea of fighting a YouTube star as one of the Paul brothers is not interested and that he is looking to add to his legacy in the sport. Steve Marcus/Getty Images When it comes to his legacy, it seems right to wonder how much he can realistically change for Pacquiao. He is already considered one of the best in his generation and worthy of discussion among all the impellers. To the extent that he has ever had long-term implications, the 2012 noke at the hands of Juan Manuel Marquez has been relegated to a footnote. However, there can be nothing Pacquiao can do at this stage of his career to jump Mayweather, and that is basically the only distinction that matters at this time. As disappointing as his struggle could have been, Mayweather vs. Pacquiao provided a definitive answer about who was the best of both. In addition to boxing, PacMan may have a political career to consider with the Philippine presidential elections in May 2022. He was elected to the Senate in his home country in 2016, and a presidential race may not be out of the table. With nothing to prove in the ring, Pacquiao could hang his gloves. Manny Pacquiao will fight the replacement opponent Yordenis Ugas on August 21 after Errol Spence Jr retired with an eye injury. The legend of eight divisions Pacquiao will challenge Ugas WBA's weight championship in Las Vegas.
